A MESSAGE FROM THE SUPERVISOR

The holiday season is upon us and it is a great opportunity to spend time with family and friends, as well as reflect back on the year. With 2014 coming to a close, I would like to take this opportunity to thank you for your continued support and patience during a crazy year that brought disaster to areas of the town with the tornado, but also showed why Deerfield is a great place to live and raise a family – truly neighbors stepped up and helped each other out during this difficult period.

We were able to complete a series of projects and road repairs this year but at the same time were not able to get some of the road work completed that we had scheduled based upon the tornado that drew the Highway Department away from completing the much needed road work. We are hopeful for an early spring that will allow us to get an early start with the first large job being Cheese Factory Road now that the bridge is complete.

We are excited to be partnering with Oneida County on a long-term lease for a piece of property at Broad acres for an alternated salt/sand storage site that will allow us to serve the south end of the Town more efficiently. We are in the process of erecting a pole building to house a loader for this location and look forward to a long relationship with the county plowing the roads.

If you have driven up Walker Road near the Municipal Building, you will see that we are in the process of constructing a new pavilion at the Wilderness Park. An assessment of the existing facility found extensive repairs were needed to make it safe. The Town Board decided to accept bids to construct a new one and that process has begun. It is expected to be completed in the time frame of May 2015.

Thank you again for your support during the year and I look forward to hearing your words of encouragement and honestly your constructive criticism, all of which will make our town even better as we move forward.

Have a safe and Happy Holiday season!

Scott P. Mahardy,
Supervisor

Deerfield's "Snow Much Fun" Winter Fest Wilderness Park Saturday, February 7th 2015 Noon - 5pm

This year our 2015 "Snow Much Fun" Snow Fest will be held on **Saturday February 7th** at the Deerfield Wilderness Park, 6329 Walker Road. This will be our second annual snow fest celebration and we expect a wonderful day full of family fun and activities. To build up to our Snow Fest the year, we are holding a Town Wide **Snow Sculpture Contest**. The contest is open to town residents beginning today through February 1st.

*Build your sculpture then contact us with your name, address, and Sculpture title by **phone 315 723-6100** or email **lhajdasz@aol.com**. Our Committee will come by and photograph your work, and winners will be announced at our "Snow Much Fun" Snow Fest.*

The Fun starts at Noon and will end at 5pm with an awesome floating lantern display over the snow. We are still welcoming volunteers to help out that day – please contact Linda at **lhajdasz@roadrunner.com**.

BUILDING AND CODES QUESTIONS & ANSWERS:

When do I Need a Building Permit?

- A permit is required for any new construction including any work that adds floor area.
- Changes the configuration of the rooms or changes the use of the space.

Typical examples of projects that require building permits are:

New Building:

- Residential & Commercial buildings, dwellings, garages, detached storage sheds, carports, pole barns, manufactured housing, mobile homes, etc.

Additions:

- Additions to structures, swimming pools, all decks, retaining walls over 48-inches, and fences.

Alterations:

- Re-configuration of rooms, conversion of a garage to a new use, re-roofing, insulating, finishing a basement, re-siding, structural repairs, new window installations, etc.

Installations:

- Equipment or appliances, such as wood burning stoves, gas lines, hot tubs, solar collectors, etc.

If you are uncertain whether a permit is needed, call the Building Safety & Inspection Services office at 724-0413 ext. 22.

**The Building Safety & Inspection Services hours are 9 am to 2 pm,
Monday through Friday.**

- Building permits can be applied for and issued until 4 pm.

PHONE INQUIRIES MAY BE MADE TO THE FOLLOWING OFFICES:

Building Code Questions – 315-724-0413 ext. 22

Driveway and Access Inquiries – 315-826-7014

Planning Board Inquiries – 315-734-9764

Zoning Inquiries – 315-724-0658

SENIOR NEWS

Another year has ended and a new one begins. We will still be meeting on Thursdays from 9 am- 4pm. The first Thursday of the month is when the representative from the Office of the Aging is at the Municipal Building at 1 pm, except for January. Due to New Year's Day, she will be coming January 8th.

The seniors still plan on going to **Turning Stone** the third Monday of each month. There will be an AARP Driving Class during 2015. Just a plug for AARP, they are in need of Instructors. If anyone is interested contact them at AARP or call me for more information. Plans for trips for 2015 will be in the next Town newsletter.

Many of our seniors have received new I-Pads, Pods, Tablets and Phones and we are in need of a tech-savvy person to come and help us make the most out of our new toys.

**If you are available on a Thursday, please contact Lura at
724-0658 or 724-0413 ext. 28**

TOWN OF DEERFIELD RESIDENT NEWS

Message from our Youth Director

So we live in NY State - Lets make the Best of it! We have put together a **Winter/Spring Schedule** that encompasses both indoor and outdoor activities. All events are sponsored by the Town of Deerfield and coordinated by the Youth Director and Youth Program Staff. Most events are free to town residents but at times we offer a cost/share price. This schedule has one Cost/Share event - Snow Tubing, Otherwise our Program pays for equipment rentals and admission. Refreshments are the families' responsibility unless otherwise noted.

Please dress children accordingly for each event.

If you have any questions or want to be put on our Email Reminder list,

please contact me - Karen Day ~ Youth Director
(drfldrecprogram@aol.com) or 315 723 4971.

Thank you for sharing your families with us.

Thurs: 8:00am - 6:00pm

ASSESSOR'S OFFICE HOURS:

Tuesdays: 6:30pm - 8:30pm

HIGHWAY DEPARTMENT NEWS

A MESSAGE FROM THE HIGHWAY DEPARTMENT

The Highway Department hopes everyone has a great holiday season and everyone is in good health. With winter

getting a slow start this year, the Highway Department would like to remind everyone to please drive with caution; road temperatures are varying and can cause slick spots on the road. As the snow piles up, the Highway Department has a few reminders for everyone. *Please keep cars off the street during overnight hours.* This helps the Highway Department clear the streets more efficiently.

In May 2009, our town adopted local law # 1-2009 which states that parked or abandoned vehicles on any public highways in the Town of Deerfield during snow storms, floods, fires, or other public emergencies can be removed at the owner's expense.

DO NOT PUSH SNOW ACROSS THE ROADWAY. This could cause an accident, and the person pushing the snow in the road could be held liable. Please keep trash cans clear of the curb so the plow won't knock them over.

When winter snow banks start to get higher, our children like to play in them and dig tunnels. Please remind them how dangerous this can be, as the plow drivers can't see them and we would not want to see anyone get hurt.

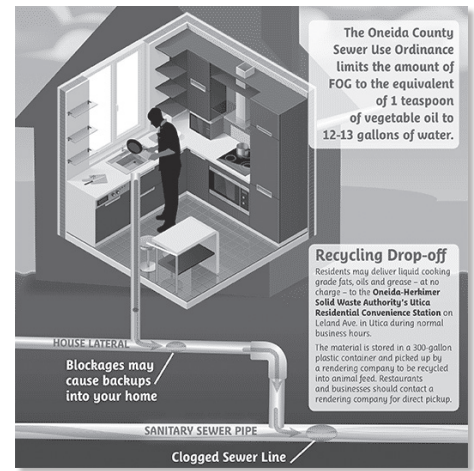

With 2014 coming to a close, we hope everyone had a great, fun-filled summer. The Highway Department had a very busy summer with the rain storms and the tornado that happened this summer. The Highway Department road construction season in 2014 was cut short due to the clean-up from the storms. The Town still managed to pave about 2.5 miles in the 2014 construction season. The Highway Department is planning another busy year in 2015.

The Highway Department's trash collection site at the firehouse and the Highway Garage have worked out and has been well attended. We are going to continue having Saturday drop off times in 2015. Trash can be brought to the Town Highway Garage during our normal work hours; just call ahead so we can have someone there to help you load items into the dumpster. **The Highway Department business hours are M-F 7:00AM to 3:30 PM.** Green waste can also be brought to the Highway Garage any time and can be put in the designated area.

A number of years ago, the DEC and the EPA put out a sewer repair consent order because of the overflow problems during wet weather conditions. The Town of Deerfield and other towns are under this order. We have been attending two meetings a month for some time. Things we are working on are Sanitary Sewer Construction Standards and ways to remove illicit water from the system. The town will have to inspect the complete sewer system and make repairs as needed. Oneida County Sanitary sewer has come out with a program called OPERATION RIPPLE EFFECT. This is information for the homeowner on how they can help remove water from the sewer system and what to look for.

The Town is still moving forward with the sanitary sewer meetings and inspection of all of the sewer lines and manholes. During the holiday season your kitchen never gets a rest. But food messes can have more consequences than just the time it takes to clean them up.

Fats, oils and grease, also known as FOG, are used in or are byproducts of certain foods (cooking oil, meat fats, butter, salad dressing, mayonnaise and more). When warm or hot FOG may not seem like a big problem. However, after traveling down a sewer drain FOG cools and becomes solid, resulting in clogged pipes that can cause backups into your home or your neighbor's home. FOG also decreases capacity in the Oneida County sewer system, contributing to overflows at the Mohawk River.

So how much FOG is OK to go down the drain? Very little. In fact, the maximum concentration allowed by the Oneida County Sewer use ordinance is equivalent to one teaspoon of vegetable oil in 12-13 gallons of water. So what do you do with the rest? Carefully pour warm not hot FOG into jars, cans and / or other containers. Once cooled, dispose of the container in the trash, or drop it off at the Oneida – Herkimer Solid Waste Authority's Utica residential convenience station on Leland Ave. in Utica during normal business hours.

For more information visit sewerrehabocsd.org/FOG

Please call the Highway Department or the Town Clerk, and we can get you the information.

We would like to thank everyone for a good year in 2014 and look forward to a great year in 2015. Thanks to all who remembered the Highway Department during the holidays with the thoughtful cards, Christmas cookies, and food sent to us. It is nice to know we are appreciated.

Thank You

The Highway Department

LOCAL LAW

Residents please be aware that at the October 6th Town Board meeting, the Town Board passed Local Law #3- Motorized Vehicles, at which they approved amending Local Law #1 of 2004- entitled "Rules and Regulations of the Deerfield's Town Parks". The Local Law has amended Section 2, Parking and Operation of Vehicles within Town Park's.

- (a) In the Town's parks, all vehicles shall be operated or parked only upon clearly marked and/or designated roadways and spaces.
- (b) No motorized vehicles shall be operated on any trails or playing fields located within the Town's parks.
- (c) At no time shall any vehicle be operated at a speed of greater than five (5) miles per hour within any Town park.

If you have any further questions or would like to view the Local Law in its entirety, please contact the Town Clerk's office at 724-0413 ext. 23.

The Milliken Electric “Talking Lamp” at Deerfield Corners (1920’s)

One of my favorite photographs of Deerfield Corners is that of the Milliken Electric “Talking Lamp.” Situated in front of the old SOCONY gas station (now Fastrac), this one single traffic safety device has peaked my curiosity over the years, but I was unable to learn much about it. Inspired by a recent conversation with Howard Bushinger, my highly esteemed friend and local author and historian, I restarted my quest to learn more about this famous icon of Deerfield Corners. Long behold, I was able to locate an article written in *The American City*, Volume XXVII (Issue No. 1), published by The Civic Press (New York) in July 1922.

Ironically, the “talking lamp” did not actually talk. Rather, it was the precursor of our modern day traffic signals, placing all of the necessary travel information directly in front of the driver, thus eliminating the need for the motorist to understand particular intersections and reducing frequent stops for directions. With the advent of motorized vehicles and their increase in usage, it became necessary to reduce traffic hazards and accidents for drivers and pedestrians.

The “Milliken Electric Street Signal” or “talking lamp” was developed over a six year period by Foster Milliken, president of the McNab & Harlin Manufacturing Company in New York. The device itself was mounted on a pedestal and base, and consisted of

three main horizontal components: a fixed white light behind a glass panel which often contained specific traffic or police instructions (top); two colored, flashing lights (middle); a fixed white light behind a glass panel, which often contained directional information (bottom). Below the signal box was a set of refracting lenses. These lenses made the device, its pedestal and base, highly visible to motorists, even through the thickness of fog and darkness of night, from up to a mile away. The signals were wired to existing street lamps, so that they would automatically be powered at dusk. In addition, the lettering on the signs was made of raised black glass cemented to the glass panel, thus increasing readability. The devices were originally used in New Jersey and New York City. The lamp at Deerfield Corners existed for directional purposes to guide motorists to Herkimer, Albany, Rome, Utica, Syracuse, Boonville, Old Forge, Watertown and Clayton. (Photo above courtesy of the Oneida County Historical Society)

Historic Deerfield Roads and When They were Established or Adopted into the Town System

Bell Hill Road – 1808, 1829, 1837
Blue Road – 1832
Brayton Road – 1832
Cameron Hill Road – 1806

Cheese Factory Road – 1829
Davis Road, East/West – 1824
Grace Road – 1813
Graham Road – 1808

Harris Road – 1807
Keyes Road – 1799
Roberts Road – 1822, 1848, 1859
Steuben Road, East/West – 1806, 1807

In September 1922, the following former Deerfield roads were renamed by the City of Utica: Miller Road became Leland Avenue – Walker Avenue became Coventry Avenue – Seymour Road became Horatio Street – William Street became Jones Street

2015 Deerfield Anniversaries

(Adapted from *Deerfield, New York: A Glimpse into the Past* by Virginia C. Loin)

1800-Jacob H. Schermerhorn settled in the North Gage area and built a saw mill on West Canada Creek in 1805
1810-By Act of Legislature, commissioners were appointed to lay out a road from Deerfield to Boonville-The Northern Plank Road
1815-The War of 1812 ended (1812-1815)
1855-Deerfield post office opened at Deerfield Corners with Jacob Oster as the first postmaster
1865-The United States Civil War ended (1861-1865)
1930-Archibald Blue appointed Town Supervisor (1930-1 952)
1960-The Town purchased District 9 school on Crooked Brook Road for a Town Hall

Please stop by the Municipal Building and check out our new historical display for 2015. It consists of a special tribute to: Mechanicsville and Boy Scout Camp MOHOM (a special thanks to Virginia Doyle), Domser’s Creamery, and brick and cheese making in Deerfield. Each of these offered a significant contribution to our town’s rich history.
